

AUCTION DONATIONS! YOUR INVOLVEMENT COUNTS!

Attached is a form for you to complete regarding each family's donations for the auction. We are encouraging ***each family to donate or solicit three to five donations*** for the auction on February 27th. It may seem like a big task, but if you just take a minute to think about it...the ideas will come rolling in! Read the following page if you need help with ideas!

Here's what we'd like you to do:

- ❖ Agree to distribute at least three donor letters and forms to local businesses (even more would be great!) Donor letters and donor forms are available online at www.bethanyauction.com.
- ❖ Follow up with a phone call after you drop off donation forms.
- ❖ Fill out the donor form completely and leave a copy with the donor for their tax purposes. Please thank the donor and let them know how much their donation means to our school.
- ❖ If the donor doesn't have any merchandise, ask for a tax-deductible cash donation.
- ❖ If you don't feel comfortable approaching someone but think they'd be likely to donate, Contact the donations committee chair and we will contact them.
- ❖ Donations deadline February 1st to allow time for catalog printing.

On "call night", January 10th we will be asking what you'll be donating or what businesses you will be soliciting for donations! See back for donation ideas! Call me if you have any questions!

Have fun with this! I can't wait to see what everyone gets donated!
