A Note from Mr. H.

I have had some great opportunities lately to use one of my favorite words... coddle. The book definition of this is, "treat in an indulgent or overprotective way." Taking care of people is a significant part of my make-up, but I try to do this by enabling people, not disabling them.

The Bible passage that I have at the heart of my personal mission statement comes from Ephesians 4. Paul writes, "...to prepare God's people for works of service, so that the body of Christ may be built up..."

So if I do my job right, everyone in my care: teachers, aides, directors, parents, board members, students, secretaries, and volunteers will be better prepared to serve in their particular capacity. In this way the Body of Christ is built up in this place for the benefit and blessing of Community Members and Congregation Members of Bethany Lutheran School.

My daily prayer is that God will continue to bless the work that is done at Bethany. Thank you for your part in this ministry.

In Christ,
Greg Hasseldahl

Chosen Garment Ice Cream Social

On Sunday, August 29, at 4:00 p.m. Bethany will host Steven Mosley's presentation of the *Chosen Garment*. You will have the opportunity to watch as the Bible comes alive in this dramatic presentation which takes you on a whirlwind tour of the Bible that many have described as humorous and deeply moving. Scripture becomes epic as the stories of the Bible are told and highlighted by the *garments* of patriarch, prophet and king. This event is one that will be remembered for years to come. Plan now to attend. An ice cream social will follow!
